Hi Brian,

I am uploading Maggie Green's FOIA. I have a quick question that Nan and I are unsure of?

Should the below email from Linda French have redactions to it?

Thank you

Hi Maggie,

Could you please review the attached drafts of the Municipal Sanitary Authority of the City of New Kensington local limits spreadsheet and combined wastestream formula limits, and provide me with your input? I believe that the removal efficiencies will need to be tweaked but I wasn't sure to what extent so I didn't change anything yet. If you need these spreadsheets to be submitted on a CD with a cover letter, please let me know. I was hoping for your input before I officially submitted them for review and approval.

Any assistance would be appreciated.

Thanks.
